

Zone B-1

Zone B
Number 303F
Name PUMPHOUSE

Gross Square Footage 1,296

Purpose

Original-Fresh metal, chemical, and uranium scrap storage. 1954 to 1973-chemical makeup facility. Current-pumping facility.

Description

Constructed of reinforced concrete and block. Building was upgraded in 1954.

Number 303G
Name STORAGE BUILDING

Gross Square Footage 1,296

Purpose

Fresh metal, chemical, and uranium scrap storage.

Description

Constructed of reinforced concrete and block.

Number 303K
Name WASTE AND MATERIAL STORAGE

Gross Square Footage 1,296

Purpose

Original-Fresh metal, chemical, and uranium scrap storage, Secondly-decontamination facility. Currently-Storage of radioactive & mixed waste.

Description

Constructed of reinforced concrete and block. Building was upgraded in 1954.

Number 311TF
Name TANK FARM BUILDING

Gross Square Footage 0

Purpose

Has been deactivated and is undergoing transition to D & D.

Description

HNF-6465 REV 0
Volume VII

Built in 1954-consisted of four aboveground chemical storage tanks, two below-ground methanol storage tanks, and the small Methanol Still House. The tanks were located inside a concrete containment curb or catch basin. One additional tank was built for use in the WATS program in 1985. The 311 Building and the two below ground methanol storage tanks were removed in 1989.

Number 313

Name FUELS MANUFACTURING BUILDING

Gross Square Footage 76,753

Purpose

The 313 building is dividied into 2 sections, North and South. The north section has been leased to a private enterprise company performing aluminum extrusion operations. The south end is vacant and has undergone deactivation and is in transition to D & D.

Description

One-story, thick-set, consists of a 4" reinforced concrete slab floor supported on reinforced concrete foundation, structural steel framing, concrete block walls and a pre-cast concrete slab roof with tar and gravel surface. The interior partitions are of concrete block and concrete brick.

Number 3707G

Name CHANGE HOUSE

Gross Square Footage 192

Purpose

Houses a change room for entering and exiting the 303-K fenced storage area.

Description

One-story building with metal panel siding and roof. Contains a concrete foundation and floor.

Number 3712

Name STORAGE BUILDING

Gross Square Footage 9,720

Purpose

Used to store green N-Reactor fuel.

Description

One-story steel frame structure with metal panel siding and roof. It has a concrete floor and foundation.

Number 3720

Name CHEMISTRY AND METAL SCIENCES LABORATORY

Gross Square Footage 28,918

Purpose

Provides office and low-level radiochemical laboratory space.

Description

All-metal frame structure erected on concrete foundations, footings and floor slab. Roof is a medium sloped gable roof with insulated, built-up roofing, tar and gravel placed on a corrugated sheet metal base. A one-story concrete block addition was added to the north end in 1980.

Number **3720-BA**

Name **BOILER ANNEX**

Gross Square Footage **576**

Purpose

Houses pocket boiler.

Description

Steel frame with metal siding, recently constructed (within the last few years).
